

2022 Fig Twig Holiday Market Vendor Info

There are many changes to our event this year including the location! The FIG TWIG HOLIDAY MARKET is a highly curated show. This means that we have a juried application process in order to select our vendors. All items must be handmade, vintage, or upcycled by you! No direct sales or mass-produced items. Please make sure your application is complete. This year we will be limiting the number of vendors selected in each category (i.e. jewelry, bath and body, etc). Please refer to the below information for the general event info:
